

## Wishing for Tomorrow: The Sequel to A Little Princess

In this delightful sequel to *A Little Princess*, Sara Crewe has gone away with the Indian gentleman, and now nothing is the same at Miss Minchins. Spoiled Lottie, awful Lavinia, and shy Ermengarde are all left behind at the Select Seminary for Young Ladies, and the new maid, Alice from Epping, is a bright girl from the country whose practicality and confidence are a refreshing change from the stodgy Miss Minchin. Lottie learns to notice things and has adventures, Lavinia dreams of earning a place at Oxford, and Ermengarde realizes that friendship sometimes means keeping secrets. With a surprise visit from Sara at the end, *Wishing for Tomorrow* is a lovely story about finding your way and things coming out right.
