

Nothing-to-Do Puppy

Every parent has heard it, every child has said it, and now Puppy is squealing it too: There's nothing to do! Daddy has a smart idea: start a Nothing-to-Do club. But as Puppy asks people to join, he learns something surprising from all his friends: there's plenty of wonderful things to try, from reading a favorite book to making mud pies! As always, Szekeres and her irresistible characters take a familiar situation and turn it into fun.
