

Caught in the Web (From the Files of Madison Finn Book 4)

Forget ghoststhis Halloween, seventh grade is frightening enough. For Madison and her friends, the Halloween season is full of activity. There are ghost stories in English class, a big costume dance, and a scary-story contest on Madisons favorite website. No wonder everyone has Halloween fever! But Madison still needs to find a costume to wear that doesnt seem too babyish. And what if she looks stupid dancing in front of everyone? No matter what, this Halloween will be one to remember.
