

## Spiritual Poems to Renew Your Heart

It is my hope that these poems will renew your heart and soul and you will be thrilled with the message of love found within. There is a deep, authentically spiritual meaning in each that can be found by the reader searching for spiritual truth. From The Box on the Shelf to Johnny Smith you cant help but feel that there is something different about the words on these pages! If you dont shed a tear reading them with an open heart... well, just read them, youll see what I mean. Each of these poems was written down exactly as I received them. A feeling of a deep calm came over me and then the poem just came to me, line-by-line. Not surprisingly no corrections were needed, grammar excepted. As I was writing what was given I was enveloped with the feeling of the greatest love I have ever known. You will find in these pages just what you are searching for. There may be a poem here to soothe one of the many difficult areas of your life. Whether the death of a loved one, a personal search for a deeper meaning to your life or just an introspective moment, these poems can soothe and renew your heart. You never know...maybe they were written just for you. In fact, I know they were.
