

Earth-Friendly Outdoor Fun: How to Make Fabulous Games, Gardens, and Other Projects from Reusable Objects (Earth-Friendly Series)

From bowling pins to boomerangs, windsocks to waterwheels, create a world of exciting outdoor activity! With Earth-Friendly Outdoor Fun, ordinary discarded objects find new life as imaginative and unique outdoor toys, games, and tools. Go bowling in your own backyard. Or build your own backyard barometer. Scare up a scarecrow from some old clothes and newspaper. Send a jet balloon soaring. Activities include complete step-by-step instructions and illustrations to ensure success. Best of all, you'll also learn important facts and tips about helping to save our environment through recycling. GEORGE PFIFFNER, the author of all four books in the Earth-Friendly series, spent fourteen years creating hundreds of activities for Women's Day and other magazines. He also designs theater sets and department store displays. Also available in the Earth-Friendly series: Earth-Friendly Toys Earth-Friendly Wearables Earth-Friendly Holidays
