

The Babytalk Insiders Guide to Your Babys First Year

A cross between the bestsellers in this category, *The Girlfriends Guide to Surviving the First Year of Motherhood* (with secrets from other moms), and *What to Expect the First Year* (with advice from experts) -- this is a comprehensive first-year guide from the editors of the critically-acclaimed parenting magazine. Complete with problem-solving strategies; step-by-step instructions; and quick tips and sidebars; this is the only first-year guide that you will ever need -- from the magazine that is the Bible for new moms who have turned to it for generations. Topics include breastfeeding, basic development, sleep, language development, attachment, immunizations and common health problems and solutions. The book offers a combination of expert advice (the right way) from well-known parenting gurus, as well as the other ways, a spinoff of the magazines wildly popular column packed with innovative tricks from other new moms. Chapters like *Sleep and the Lack of It* and *The No-Panic Guide to Health Emergencies* offer a fresh and reassuring voice that provides new moms with the guidance they need. This is sure to become the new go-to guide for new moms everywhere.
