

## Troubled Teenagers - Identifying and Dealing with Tough Issues

The undeniable fact is this: during your child's teenage years, there can be some trying times and difficult circumstances. Like alcohol, drugs, bad friends, gangs, cutting or other forms of self-injury, even sexual identity issues. *Troubled Teenagers - Identifying and Dealing with Tough Issues*, examines the unhealthy ways your teen may deal with disappointment, stress, or emotional pain, and how you can help your child during these trying times. In this e-book, noted parent/teen expert Christina Botto shows you how to identify these behaviors, and what to do about them. Uniquely, the series *Fitting The Pieces* contains actual stories and input from today's teenagers. In *Troubled Teenagers - Identifying and Dealing with Tough Issues*, Botto also included input from parents, survivors, and people who managed to overcome addiction. In this exceptional e-book, you will find out how to recognize and deal with: Running Away from home; Drinking and drug use; How to watch for and recognize drug use; Abuse vs. addiction; Most common street drugs; Helping your teen stay sober after rehab; Cutting/Self-Injury and Self Mutilation; Gangs and Criminal Activities; Sexuality Issues; and more. As a parent, sometimes you feel helpless in the face of these issues. In addition to that, on a deep level, your teen is probably ashamed to ask for help. It's going to be up to you to make the first move. When dealing with emotional pain and distress, your teen needs your help more than ever, and not only that, they require your understanding. In *Troubled Teenagers - Identifying and Dealing with Tough Issues*, Botto dives into these issues in a straightforward manner, and gives you the tools you need to truly be there for your teen, and help him or her cope with life's biggest challenges.
