**Collections: English Short Title Catalog HathiTrust Digital Library** Mathematical digests: Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic projection of **Catalog Record: The young analysts exercise. Being a choice** of geometry, and plane trigonometry, whether by instrumental construction, or by the measuring of heights and distances, &c. on ? **FREE Catalog Record: Mathematical digests. Containing the elements** digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. rationi maxime consentanea fundamenta artis cum exactis & facillimis ad hanc tabulis & praeceptis pro calculo eclipsium &c. **715 - Collections - HathiTrust** Containing a choice collection of mathematical essays & dissertations on what is most valuable & really useful, not only in algebra, digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. **Collections: English Short Title Catalog HathiTrust Digital Library** With tables for finding the place, and eclipses of the sun and moon, according to the and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. **Collections: English Short Title Catalog HathiTrust Digital Library** Mathematical digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic projection of **Collections: English Short Title Catalog HathiTrust Digital Library** Mathematical Digests. Containing the Elements and Application of Geometry, and Plane Trigonometry, Whether by Instrumental Construction, Or by Calculation, to the Measuring of Heights and Distances, &c. And the Stereographic Projection **Catalog Record: Astronomia Carolina, nova theoria motuum** Item 3: Mathematical digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic projection of spheric trigonometry with numerical solutions, and the application thereof, **Mathematical digests. Containing the elements and application of** Item 2:

**Mathematical digests: Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by ... the measuring of heights and distances, &c.**

Mathematical digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic projection of spheric trigonometry with numerical solutions, and the application thereof, **784 - Collections - HathiTrust** Mathematical Digests. Containing the Elements and Application of Geometry, and Plane Trigonometry, Whether by Instrumental Construction, Or by Calculation, to the Measuring of Heights and Distances, &c. And the Stereographic Projection **266 - Collections - HathiTrust** Mathematical digests. Containing the elements Containing the elements and application of geometry, and plane trigonometry, Whether by Instrumental Construction, or by Calculation, to the Measuring of Heights and Distances, &c. And the **714 - HathiTrust Digital Library** Item 13: Mathematical digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic projection of spheric trigonometry with numerical solutions, and the application thereof, **Collections: English Short Title Catalog HathiTrust Digital Library Mathematical digests. Containing the elements and application of** Containing the lives and reigns of James the I. the II. the III. the IV. the V. With several memorials of state, during the reigns of James VI. and . Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. **Collections: English Short Title Catalog HathiTrust Digital Library** Item 14: Mathematical digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic projection of spheric trigonometry with numerical solutions, and the application thereof, **Collections: English Short Title Catalog HathiTrust Digital Library** Item 18: Mathematical digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic projection of spheric trigonometry with numerical solutions, and the application thereof, **222 - HathiTrust Digital Library** Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic Item 18: A mathematical manual containing tables of logarithms for numbers, sines, and tangents. With the manifold **Collections: English Short Title Catalog HathiTrust Digital Library** Item 14: Mathematical digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic projection of spheric trigonometry with numerical solutions, and the application thereof, **222 - Collections - HathiTrust** Item 5: Mathematical digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic projection of spheric trigonometry with numerical solutions, and the application thereof, **Mathematical digests: Containing the elements and application of** The whole revised, and carefully corrected, with accurate tables of the suns declination, adjusted to the N. S. By W. Mountaine, mathematical examiner to the Hon. . and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. **351 - Collections - HathiTrust** Key to Chisholms mathematical mechanical scale [electronic resource] : an geometry, and trigonometry, right-angled and oblique, plane and spherical **Collections: English Short Title Catalog HathiTrust Digital Library** Mathematical digests. Containing the elements and application of geometry, and plane trigonometry, Whether by Instrumental Construction, or by Calculation, to the Measuring of Heights and Distances, &c. And the Stereographic Projection of **Mathematical Digests. Containing the Elements and Application of** digests. Containing the elements and application of geometry, and plane construction, or by calculation, to the measuring of heights and distances, &c. The whole illustrated with various methods of computation, as well by plain numbers and geometry, as by algebra and calculated to the capacity of young beginners. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic Item 18: A mathematical manual containing tables of logarithms for numbers, sines, and tangents. With the manifold **Mathematical Digests. Containing the Elements and Application of** Item 3: A mathematical manual containing tables of logarithms for numbers, sines, and tangents. With the manifold use digests. Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the **265 - Collections - HathiTrust** To which is added, the Short defence of the last Parliament, &c. By the same author. Item 10: Mathematical digests. Containing the elements and application of geometry, and plane trigonometry, whether by

**Mathematical digests: Containing the elements and application of geometry, and plane trigonometry, whether by instrumental construction, or by ... the measuring of heights and distances, &c.**

instrumental construction, or by calculation, to the measuring of heights and distances, &c. And the stereographic
