

Healing Conversations: Therapy & Spiritual Growth

Honestly and engagingly told, *Healing Conversations: Therapy and Spiritual Growth*, is the story of Dorothy Barnes journey through therapy. Anger, painful memories, destructive family patterns, and her unwillingness to trust and confide in others were all part of her voyage. Each chapter also offers an inside look from the therapists point of view. Ralphs Notes give insights from Dr. Ralph Earle, Dorothys former therapist, who helps you understand her emotional and spiritual growth from a professionals perspective. If you are considering or are already in counseling, you will find this book provides a unique perspective about therapy and spirituality.
