

Maths Subtraction Quiz Book.

Maths - Subtraction Quiz Book. Get you or your child off on the right mathematics track with this interactive Subtraction Quiz Book. For cognitive learning of basic mathematics, this book and others in the series have one hundred questions with a choice of four answers per question. Great as a learning bedtime bonding book or refresher. Ideal for ages 5 to 12. Book 1 in the subtraction series. Color illustrated for easier viewing. How to use this book: This book and others in the series are as much about teaching as testing. Through nothing more than repetition you or your child or student will not only get it as far as arithmetic sums, but also become proficient at identifying numbers fast and effectively.
