

## Thumbelina: The Graphic Novel (Graphic Spin)

After seeking the help of a strange old woman, Gerta is amazed to see a tiny girl emerge from the blooming petals of a magical flower! Gerta has always wanted a child of her own, so she adopts the tiny maiden and names her Thumbelina. While Gerta sleeps, a strange creature creeps forth from the darkness and steals Thumbelina into the night. Lost and alone in a forest, Thumbelina must seek the aid of the forest creatures if she is to ever see Gerta again.
