

Mia (American Girl)

Mia St. Clair is a ten-year-old girl living in upstate New York. She has grown up playing ice hockey with her three older brothers on the pond behind their house. Mia got the skills and the scrappiness it takes to be a star hockey player, but she's tired of skating in her brothers' shadows and has decided to follow her heart and pursue figure skating instead. Does she have what it takes to grow and compete as a figure skater? When a new coach arrives, Mia finds herself gently pushed by the coach at the same time that she's pulled by her brothers. Can she stay true to her heart and follow her own path? Can she hold her own in a world of competitive skating?
