

Everything Starts From Prayer: Mother Teresas Meditations on Spiritual Life for People of All Faiths

At the Home for the Dying in Calcutta, Mother Teresa often cared for residents as they approached the end. As she ministered to one illness-ravaged man, a visitor overheard her whisper a few words to him. These simple words embody some of Mother Teresa's most profound wisdom. She said, You say a prayer in your religion, and I will say a prayer as I know it. Together we will say this prayer and it will be something beautiful for God. These gentle words of solace and care provide a glimpse of a Mother Teresa that is often overlooked: Mother Teresa, the universal teacher of prayer. With this deeply profound and exceptionally approachable collection, she offers guidance and inspiration for people of all faiths Catholics, Protestants, disenchanted Christians, non-Christians, and unaffiliated spiritual seekers seeking to walk a spiritual path.
