

The Sensational Salesman: A Second Chance Story: Providing a Simple Path to Improving Your Relationships, Career, and Life

Lots of books claim they will change your life, but they rarely give you a map to follow. If you have been searching for answers about how to improve your current situation, look no further. The Sensational Salesman serves as a must-have manual for achieving success in business and life. The insights in this story are rarely taught in formal education settings or the workplace, but they are fundamental to achieving lifelong happiness and fulfillment. This is the inspiring parable of Thomas Frickle, a young salesman whose life quickly unravels, only to be put back on course thanks to the help of mentors who teach him crucial lessons. It is entertaining and easy to follow. With lessons on topics such as relationships, communication, and goal setting, this story will provide you with a step-by-step blueprint for how to achieve the personal and professional success you desire and deserve. Even the most educated mind will be enlightened by the way the key building blocks needed for success in all aspects of your life are presented here. Each chapter reveals a new lesson, building on the previous one and utilizing real world examples that you can begin applying immediately. This is a timeless story and a valuable book for young and old alike.
