

Mabel Makes The Grade (Sister Magic)

Bestselling Amazing Days of Abby Hayes author Anne Mazer reaches out to younger readers with this magical take on sibling rivalry. Mabel is looking forward to the start of school, where she plans to take third grade by storm. It will also give her a little break from worrying about her little sisters magic. But Violet is about to enter kindergarten at the same school. What will happen if she lets her magic loose in the classroom? How will Mabel keep the teachers and other students from finding out about Violets secret? Things may not be as easy as she hoped!
