

Canta por peniques (Sing a Song of Sixpence) (Spanish Version) (Literacy, Language, & Learning: Early Childhood Themes) (Spanish Edition)

The five senses come alive in this illustrated version of the traditional rhyme. The familiar rhyme has been translated into Spanish and allows children to create and verbalize their own stories about the lively illustrations or to gather information about what they see or recognize. This shared-reading book is a valuable tool to help build confidence in new readers.
