

Children Books: Whose Food (Educational fun + Free game inside) (Curios Kids Collection Book 6)

What consumes sunlight? Who eats rocks? What digests an entire tractor? Whether you open a fridge, live on sunlight, or chase a gazelle, we all need some sort of food. Anything and everything eats its own kind of food, but many foods and eaters are hidden from the eyes of a growing child. In the virtual world we all live in nowadays, the Whose? series is a humorous and fun way to teach toddlers and kids alike about real-world objects. These classic Kindle eBooks encourage thinking outside of the box by taking both the reader and the child on an active riddle-and-answer quest. Reading these books will challenge young minds while providing fun for the whole family. Join us and discover the funniest and strangest foods in the world, and enjoy a free game to complement the experience.
