

## Knot Too Shabby! (Sew Zoey)

Zoey's summer is going to be busy but can she survive it without blogging? Includes Sew Zoey blog posts and fashion illustrations. In the seventh book in the Sew Zoey series, it's almost summer vacation, and Zoey Webber won't exactly be taking it easy. First she's going to New York to meet her favorite fashion designer and spend the day at her design studio. Then she's staying for an action-packed weekend in the city that never sleeps. And the fun doesn't stop there: she and her friend Priti are going to sleepaway camp for the first time! The camp has canoeing, crafts and a no technology rule. How will Zoey survive six weeks without sewing and blogging?
