

Grandma, Its for You!

Lulu wants to make her grandmother a really good present. A big present. A beautiful present. The best hat her grandmother has ever had. She decorates it with flowers and leaves and feathers all of Grandmas favorite things. But its not special enough yet. She adds part of a pink tutu and some red ribbon and a necklace. Its still too plain at the top. It just needs one more thing to make it perfect. . . .Theres nothing quite as wonderful as making the perfect gift. Children who read her story will want to make their own perfect gifts, just like Lulu.
