BOOK #1: Preppers Survival: Preppers Survival Guide with 13 Survival Tips to Survive a Financial Disaster. Get Ready for the Next Recession NOW! Preppers Survival Guide to Survive a Financial Disaster will help you prepare for the impending world depression. This short, informative read will give you tips to help you start preparing now. You will be more knowledgeable, able to be more prepared, and become an asset to those around you by using your knowledge. Learn why you should get out of debt, start a garden, make your own kindling, and more. These six strategies will help you get ready to survive a world of severe inflation. Additionally, these tips are easy enough that you can get started today. The sooner you start preparing, the better off you will be. You can teach these skills to your family and friends. These skills will also help you today by cutting your costs. Making your own kindling can save you money. You can use the kindling in your grill or even as fire starter for your fireplace. You will save landfill space and learn to repurpose bricks and concrete to make a new oven. After reading this book you will learn how to: Get Out of Debt Keep Earning Money as Long as You Can...and Save It! Stockpile Food Personal Necessities Learn Alternative Ways to Cook Learn to Garden

BOOK #2: The Latest Survival Manual: Save Yourself From Financial Failure Are you prepared for a financial crisis? Im not just talking about a banking crash or another bubble bursting. There is no limit to the amount of dangerous situations that can and will imperil your financial condition. If you are unprepared for the problems, you can find yourself forced to make bad choices to get by. Disaster preparedness experts frequently work to establish steady supplies of food, water, shelter and security. But they dont think as much about the financial keys to survival. This book will close the gap between physical

preparation and economic prep. Within this book, you will uncover the keys to: Reduce and eliminate debt, Build new revenue streams, Translate your skills into means of earning more money, Engage in alternate means of value exchange, such as barter, Mitigate your risk of personal financial crisis, and Develop the skills and security to survive and thrive a regional, national or global financial calamity.

BOOK #3: Preppers Survival: The Preppers Urban Guide to Prepare for a Disaster in an Urban Environment Do you know how to save yourself if a hurricane appears today? Do you know what do you need in order to survive an earthquake or tornado? Will you leave your home if you are in it when the disaster strikes, or will you stay inside? Where would you go if you are at work, far from your home? How will you survive? In times of disaster, we have no time to think about what to do next, nor how to act. Most probably, the first thing you think about when it comes survival is water and food. However, there is much more than just having food and water with you if you want to survive. In this guide, you will read about preparing in case of staying at home and in case of leaving or being out of your home and you will learn: How to prepare your bug-out bag and what should it contain What is a get-home bag and what should it contain Survival skills Ultimate tips to survive in the city Getting Your FREE Bonus Download this book, and find BONUS: Your FREE Gift chapter right after the introduction or after the conclusion.
