

## My World: At My Pond

My World: At My Ponds Eight Book Series on Habitats 30 pages [15 spreads] 26 photos Interest Level P-3, Reading Level P-1 Interactive features include: double tap photo zoom, Amazons read aloud option, live-linked index, individual word definitions and search function The My World series of picture books have amazing close-up photos and will teach young children about animals, nature and habitats. At My Pond is written for the beginning reader and nature explorer. This book meets common core state standards in science. We strive to make our books unique and we design them from the ground up. Galloping Turtle Books are created by educators and illustrated with photos from professional photographers. Galloping Turtles photographer, Dwight Kuhn, is sole photographer for 167 childrens books on nature and biology subjects. His books have won many distinguished awards. Kuhn was one of ten photographers featured in the book: Wildlife Photography - The Art and Technique of Ten Masters. For the price of a single cup of coffee and a pastry you can help educate and provide lasting entertainment for a beginning reader.
