

Mad Scientist Academy: The Dinosaur Disaster

The Magic School Bus for a new generation! Enroll in Dr. Cosmic's class of clever monsters at the Mad Scientist Academy as they solve the greatest challenges in science, in this perfect blend of adventure and exploration. Welcome to Mad Scientist Academy! The first day of school is always exciting, and Dr. Cosmic's new students can't wait to get started. After their teacher reveals that their school pet, Oscar, is a dinosaur, they quickly realize Dr. Cosmic has an unusual teaching style. To find Oscar, the class has to follow the clues through the realistic dinosaur exhibit Dr. Cosmic designed and built over the summer. But when a malfunction causes the robotic dinosaurs to come alive, this prehistoric exhibit feels a little too real! Dr. Cosmic is plainly a colleague of Ms. Frizzle, and the mix of pithy banter, tumultuous field-trip mishaps, and science fact is as familiar as it is winning. Fans of the Frizz will be dino-delighted. Mad fun. Kirkus Reviews, Starred Like Joanna Cole and Bruce DeGENS Magic School Bus series (Scholastic), the use of a school setting, a quirky teacher, and wild hands-on learning situations provides an engaging blend of humor, adventure, and information.
