

## Gods Kiss

Gods Kiss beckons all children and the young at heart to enter the dream world of a little traveler named Johnny; an extraordinary world of talking animals, magnificent mountains and valleys. A place where young people gather on Christmas Eve to seek the special kiss of life - Gods Kiss. Gods Kiss is more than a heart warming tale of a little boys journey to a mystical land. It is about a childs sense of place in the world; a boys discovery of how precious life is to all earths creatures, and the powerful feeling of well being that embraces the reader. These are thoughts and emotions children instinctively understand (and search for), but the real magic of Gods Kiss is how these emotions are rekindled in the hearts of adults. The exquisite illustrations of the renowned artist Ed Gedrose, embellish Mrs. Seebos expressive prose. Johnnys dream comes to life and the reader falls deeper into the fantasy through the stylistic impressions of Mr. Gedrose. Gods Kiss is a previous winner of the North American Book Dealers Exchange Best Childrens Book of the Year Award
