

Princess Tia and the Mystery Machine:: Mission Jerusalem

The king's young daughter, Princess Tia, wanted to take her father's goal one step further. She wanted the entire world to be as peaceful and happy as Skenku. I am going to make the world a better place! she kept telling her father. The king simply smiled, petted his daughter's hair, and said lovingly, I am sure you will my dear! I am sure you will Princess Tia and the mystery machine- mission Jerusalem is the second book in the collection of short bedtime stories, in each story princess Tia discovers and learns about a new place and culture. This is not another bedtime story, the plot, places and facts are based on real information that will deepen your children's general knowledge.
