

## The Best Kid in the World: A SugarLoaf Book

When SugarLoaf discovers that her parents once bestowed the Best Kid in the World Award on her brother, her first thought is: But . . . but . . . but what about me? She wants to be the Best Kid in the World, so she decides to be so very helpful that her parents cant not give the award to her. However, every one of SugarLoafs good deeds ends in disaster, and it seems that the award is farther away from her grasp than ever. But what SugarLoaf doesnt realize is that trying counts for a lot, so she might have a better chance at taking the Best Kid in the World throne than she imagines.
